Ah ~,
he looked
this way.
I think I
looked at
him right into
his eyes !
He is wearing the
same uniform.
But it looks like a
scene from a suit
CF.

Is that dude why you girls have been yelling at this hour everday?
That dude ?!
How dare you ....

ドン

Janimes
www.janimes.com

It's from Ha Ji. She says she is coming here if you refuse to meet her.

Janimes
www.janimes.com

What's with the ambush.
You know damn well that I hate you coming to my home.
What a dirty day. Just how dirty is your home? You have never let me come to your house.
You look fine. I expected a broken leg bone or something since you haven't come to school for last 3 days.
Sorry to disappoint you.
You are going to school tomorrow, right ? It's boring without you.
You are only a toy. Don't crawl all over me.

Confess already.
No way would you have come here because I skipped the school for 3 days...
What's up ?
Ah..,
well ...
There is someone I wanted to duel.
So..., I asked the guy to face me ...
But ...,
he cried.
He must have been scared.
No ...,
I haven't fought him yet. But he was good. I tested him.
The thing is ...
I have no idea why he cried.
Tears poured out of his eyes .. and his eyes were so sad...

That has been... bugging my mind somehwat.
I felt as if I lost the will to fight after seeing his tears ...
So, who is he ?
탁
I don't know ... the girls say he is like a CF model or something...

Janimes
www.janimes.com

Sin Uoo Park
The guy with your favorite face
Yes ! That's the guy ! His name was Sin Uoo Park !

So you came to see me as a counselor Is that why you called me here
For something like that
Well I am kind of hungry too Can you order a kimchi hamburger I want to taste it
Is that so
Damn it I am on fire already And you came here to throw oils to the fire
아이고

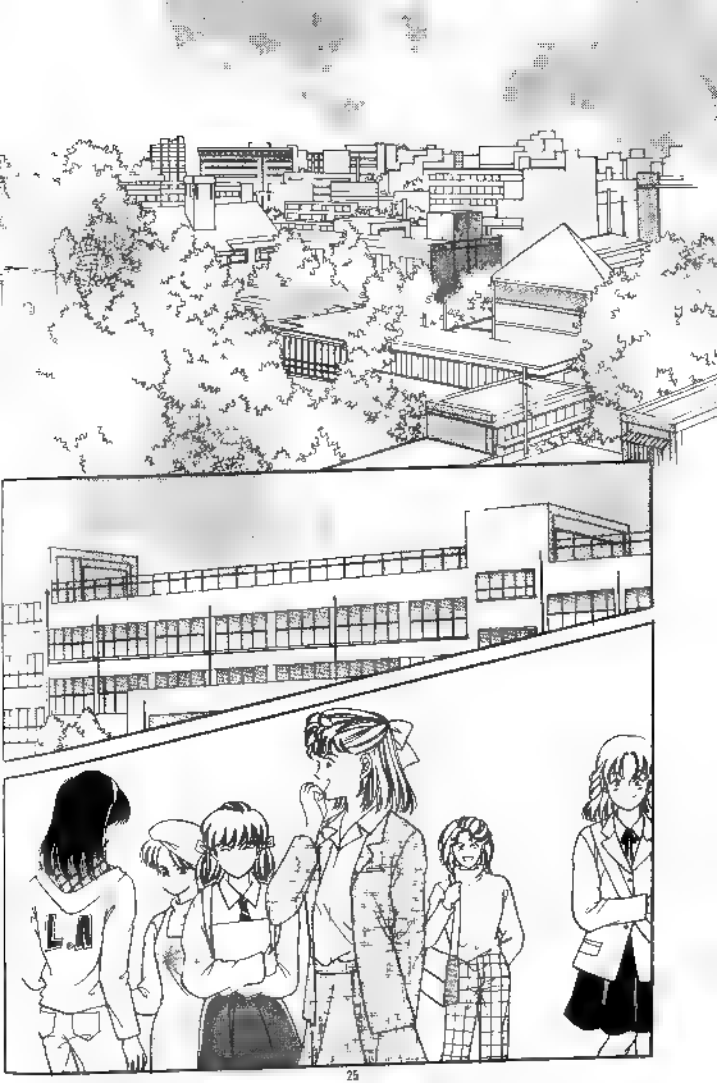
You
Cheap bastard
is one hamburger
so much to you
that you attack
your jjang ?!

What's going on ?!
Call the police !
Go away unless you want to die
That doesn't even tickle me ~

Slow.
With a speed like
that you will never
manage to kill me
Ugh -

Hey ! Run ! Run !
It's the police !
ou we will fight again
tomorrow at school
f you skip school again
will consider that you ran
away So come
will even treat
you with noodle
So come to
school
헉 다다다
아냐

You don't know
You don't remmeber anything
Even still you are being attracted to him ?



L.A

They are Mr. Hyeon Ha's fanclub
Does that mean the rumor that he is being transferred to this school is true
I really hope so
Did you see the ad about "Cool" I've collected every bromide of his
Hey, hey recorded his CF and have watched more than one hundred times
It's... it's for real!
We are not dreaming, right?

*oppa can I have your autograph
The actual person looks much cooler
Are you really being transferred to this school ?!
*oopa
A term used by only females when addressing older male who is not much older than the female
Often used to address male idols by female

He really came !
Does this mean he really transferred to this school
Oh no!
Don't get in the way
Why are you sitting here like this ?! Are you an idiot ?!
(crazy
Stupidity is bravery
Ht !

Step aside
What do you
think you are
doing !
Oppa !
Are you
oh ... ou
are not hurt
are you ?

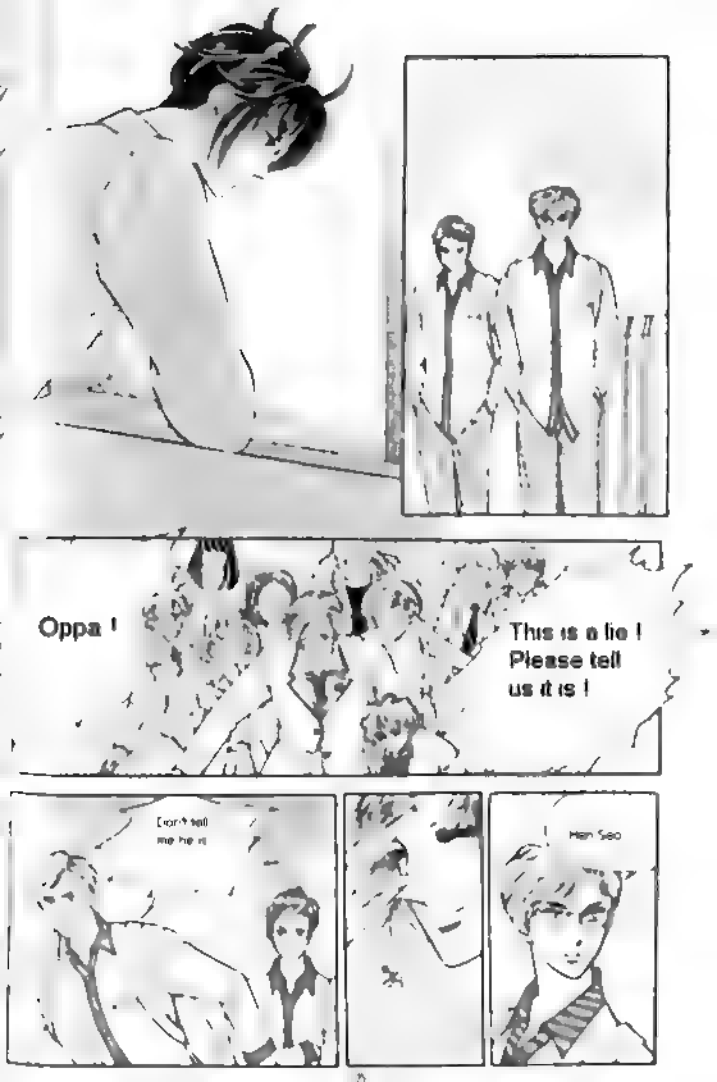
Are you stupid? Do you think I am weak enough to be hurt for something like that ?
I am glad
Disband and go home
You didn't notify the fanclub
Oppa why are you transferring to this school all the sudden?
This is my first day of the school Don't cause any more troubles I am really going to get angry
Well he does a good job controlling his girls

Jenimes
www.jenimes.com

The second rumor is the truth
Like in a movie fell in love at the first sight
So decided to transfer here to be with this lovely woman

You looks like in need of an explanation
It means I've picked you
And I came here to be with you

Oh
Oh
Oh
Oh
How could he to that ugly bitch
This simply cannot be
This has to be a nightmare
Our Mu Hyeon oppa
Mu Hyeon oppa Please don't downgrade your value
Because of me
Take pictures now
Close up



Oppa !
This is a lie ! Please tell us it is !
Han Seo

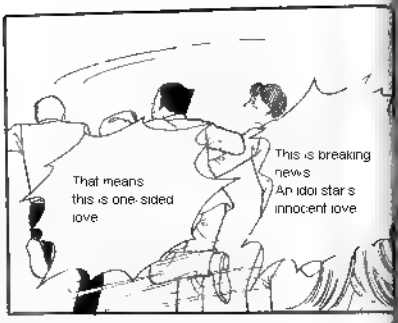
Sin Joo Park
bet this is doing this while thinking he is so smart
But he has got it awfully wrong !

www.janimes.com

There she is
Run for it
Would you spare few minutes for an interview It won't take long
How long have you been seeing Mr. Hyeon Ha Or is it one-sided love

www.janimes.com

f you bother me again
won't hesitate to stop
next time
don't have
anything to do
with Mu Hyeon Ha
or something
am not even
interested
So leave me
out of it and
don't bother me



This is breaking news
An idol star s innocent love
That means this is one-sided love

It looks like they are the ones who are enjoying the most There are even more of them now

Shouldn't we alert Ha li about this
This is Sin Joo Park s play
No need to

Mu Hyeon Ha is known to be a very handsome guy. Rumors say girls crawl all over him by justing looking at his face
Ha Ri is a woman after all It might work
Better warn her about this before this goes any further
Ha Ri is not moved by something like appearance
Mu Hyeon Ha
if she falls for face she would have kissed my foot long ago
Mu Hyeon Ha is what he came up with

He has got it seriously wrong
Aren't you making it too loud?
The opponent is an ordinary person. If you suddenly appear in front of her with a lot of reporters on your back she might just run away

It wasn't loud at all chose this way because she is an ordinary person
Who would refuse ' One of the top 10 idol Mu Hyeon Ha is publicly declaring to devote his love to her
Right now bet she is happy and all inside while looking confused
Trust me on this one am an expert when it comes of women It will be only a matter of time before she becomes my doll
She didn't seem to look that easy

What would be the most effective compliment to a girl who always scores the top in exam
That is expected from someone in your position I guess you don't know this but those are easier types to manipulate
She doesn't want to be complimented with the score She has heard enough of it already
Complimenting her appearance is the most effective way to please someone like that
Especially when she is shadowed by her smartness
I suppose you make sense

www.janimes.com

Yes It's because the opponents said the same thing as Aram once did
It's simply because of that That is all

There she comes
Will this be all right? She's the infamous Doberman
It doesn't matter. How dare a gangster bitch with some nasty rumors try to hook Mu Hyeon oppa!
But this is a little too big she could get hurt seriously
It's ok
A bitch like that should get her face ruined

Janimes
www.janimes.com

R Run !
Those are
Mu Hyeon Ha s
girls saw
yesterday
Mu Hyeon Ha huh

Ha Ji !
ou are not hurt
are you
am sorry
should have
seen it coming
Sometimes
it s hard to
control them
When go to
my office will
find out who did
and punish
It s ok It s sometimes
hard to control your
subordinates for me
also
understand

www.janimes.com

Thanks you are very understanding
Han Seo said it is best to be kind when controlling subordinates
Han Seo
my sub-jang
Damn it if it wasn't Sin Joo I would have quit this boring conversation
Oh two sound close
Well we have known each other disgustingly But I don't get to see him often now since we are on different grades
I am envious
About what

He is lucky enough to have spent the time don't know with you
About the time you shared with him
well am the lucky one to have a decent sub-jang like that
ou are going that way right Take care
Ah Mu Hyeon Ha
will try to like you after all you said you came here simply because of me guess should feel honored

Few romantic words and game over already
What this is too easy
Again
His eyes are deep read today also

With your grade even S. University won't be a problem
eah seeing your eyes bloodshot everyday makes s feel sad
am all right Thanks for your concern
This is not fair
Our eyes are bloodshot too
You guys spent night to play games !
want to sleep
just want to rest

Face me
nerd
Drop your
foot
And am
your senior
told you
before
We are the
same age
There are rules
in a school
And grade is
more important
than age

Jahmes
www.jahmes.com

Why is the Doberman pickling on you She will fight those who she picked no matter what
What are you going to do now What did you do to get picked on by someone like that
This is unexpected This is just like what the playboy said thought she would be a little bit harder After all she was chosen by Han Seo ang This may end utterly fast
guess you fight well That s so unexpected from someone like you The Doberman only picks on people who are skillfull enough
Come to think of it Aram used to follow me like that crazily saving "face me"
Just some self defense techniques
That s awesome and cool

Yoo-hoo~
It was fun as well at that time
Sin-Yoo
The bell ringed
The class is gonna start
Get up
Sin-Yoo

Thanks
will sure
eat it
Oppa
our autograph
please
The actual
person looks
even cooler
Here chocolate
eat it when you
are hungry
am sick and tired
of this scent
But this girl is not
bad guess will
play with her soon
Mu Hyeon Ha

www.janimes.com

Thank you
will make
sure that won't
disappoint you
Sure
This is way too easy
I can't believe
Sin Joo Park did
cast me for this
But well did come to
this school just to hook
her It's only natural that
she fell for me

s it true that you are going out with Mu Hyeon Ha today
ou already heard Words sure travel fast
Ha li stop this Actually he s

It s getting interesting Don't interfere now
thought you'd refuse What made you to do this
He said he transferred to here because of me guess bought his spirit high
Besides the guy seems innocent and decent
thought it might be rude to just ignore a guy like that
So Are you going to accept his mind

Yeah I've decided not to reject him It would be a sin to reject him you know
You don't need to be thoughtful for him Listen he is actually
Do you want me to wait ? 10 minutes should be more than enough
Go home I will have to take him to a hospital also It's going to take at least few hours
Eh ?

Even to a hospital
looks like you like
him awfully a lot
was moved by how
he treated his
subordinates
He was worried
sick of them
To such an
opponent it s
only obvious that
take him to a
hospital
It would be an obvious
duel So wasn't going to
do it But the guy even
transferred to here
It d be too rude
Of course
Of course
Just be
gentle
Ahah this sucks
you know
stay quiet for
a while and even
such a weakling
challenge me

www.janimes.com

es
will end it today
Few naked pictures
will do the job
Today
don't want to
leave so much
scandal in this
poor school
Give me a week
and will make her
the way you want
ou keep your
side of bargain
Han Seo ang
wouldn't give
up on his
girlfriend this
easily
f even hear the
news about their date
today am sure he
has heard it also

There she is
She is easy to spot
with her above average
height Run now
Are we really going
to take her picture?
She is so violent
Argh this is why
I don't like to work
new comers
Just do it This is
going to be big news
Ha Ji Kang !
You are
Ha Ji Kang,
right ?!

our name is Ha Ii kang right Could we have an interview with you
Ha Ii kang
No our name was Ha Ii kang that s right
That s a funny name It reminds me of a dog It s a symbolical and cute name

Kang Ah Ji ?!
dog
100 meters
Run away at least 100 meters to be safe
100 meters !
Ah
There is
Ha Ji Kang
We are from new sports day We would like to have an interview with you
Lucky them Looks like they are saved
yeah but those that just shouted her name will be beaten to pulp

Kang Ah Ji again ?!
see Ha Ji Kang
Where Where ?!
Ah
Ha Ji Kang could we have an interview with you
Could you pose better
our name is Ha Ji Kang right
NO
NO
NO

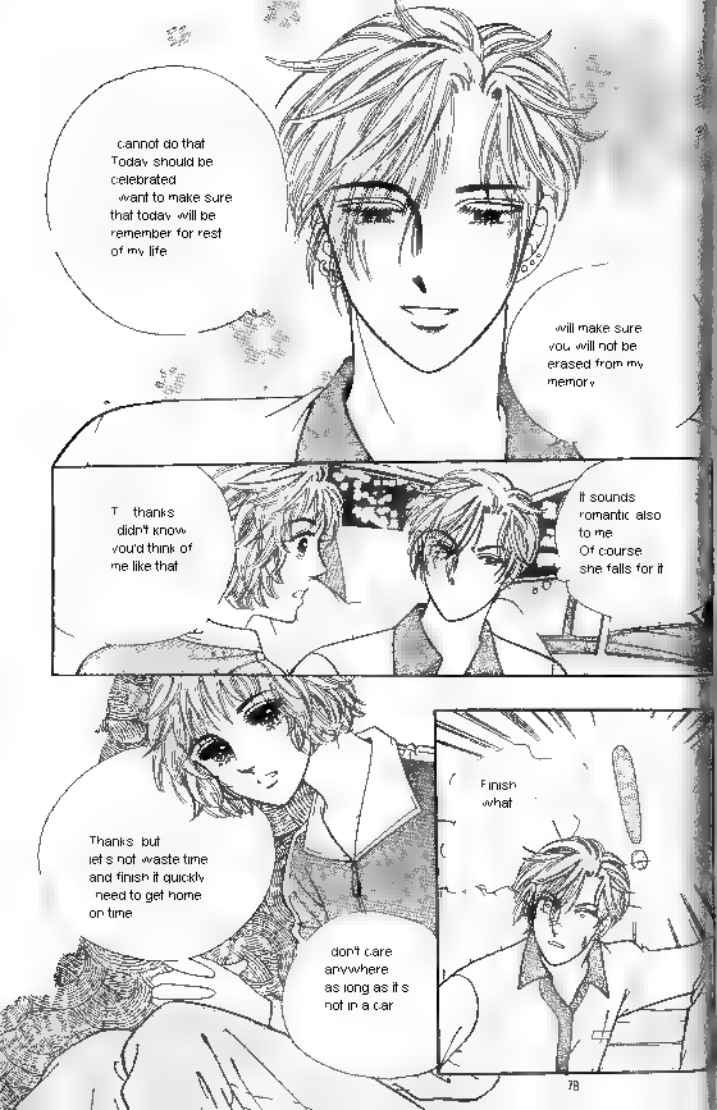
www.janimes.com

Ha li
This way
Go now
Are you
ok
am sorry
it s all because
of me
They are even
worse than leeches
So when you see
them just run
es
they are really
scary opponents
Looks
like you
were
shocked

Im those are roses
thought these were cookies in form of flowers
Uwack what is this is she trying to make a joke out of this or what Don't tell me that she is serious
Why did you give me something can't even eat
Ah
see It must be the first time for that ugly bitch to be presented with flowers She s being shy
So she is trying to change the subject

She has lost her mind. She doesn't even realize what she is doing
Well no sane woman would be in a right mind status when Mu Hyeon Ha is proposing
But still can that even change appetite
is it tasty our appetite is sure weird
It tastes like crap wondered how flowers would taste like
No ~ She is spreading her saliva all over the top quality leather seat
Where are you going Anywhere is fine by me

www.janimes.com



cannot do that
Today should be
celebrated
want to make sure
that today will be
remember for rest
of my life
will make sure
you will not be
erased from my
memory
T thanks
didn't know
you'd think of
me like that
It sounds
romantic also
to me
Of course
she falls for it
Thanks but
let s not waste time
and finish it quickly
need to get home
on time
don't care
anywhere
as long as it s
not in a car
Finish
what

She
She is daring
Are you
do you mean
you want to
do it ?
According
to Sin Joo
she is a
virgin But
she sounds
like a pro ?
Wasn't that
your intention
from the
beginning?
Then
shall we go
to a hotel ?
Fine
was going to
finish her within
this week anyway
guess there is
no need to let
this go on any
longer
Well
it's not

Hotel ?
Why hotel
there are a lot
of people in
such a place
Ah Are you
those type who
like audiences
when you do it ?
N no way
like quiet
places as well
Man ~ she is
a pro She has
even done group
sex
San Hoo Park s
information
was awfully
wrong
Good then
can't concentrate
when there are
people around watching
me
will finish you
as quick as
possible
Sure
Damn it
don't like to
deal with
whores

My type is innocent type girls
Sin Joo Park If it weren't you, I would have thrown out this bitch out of my car
Uh ?
It's an office-tel often use

**office-tel : It's not an official english word. But it's used in Korea a lot. The word is a combination of office + hotel

www.janimes.com

What's wrong with him
don't know got so scared that couldn't aim urine
Damn that face ruins my mood certainly

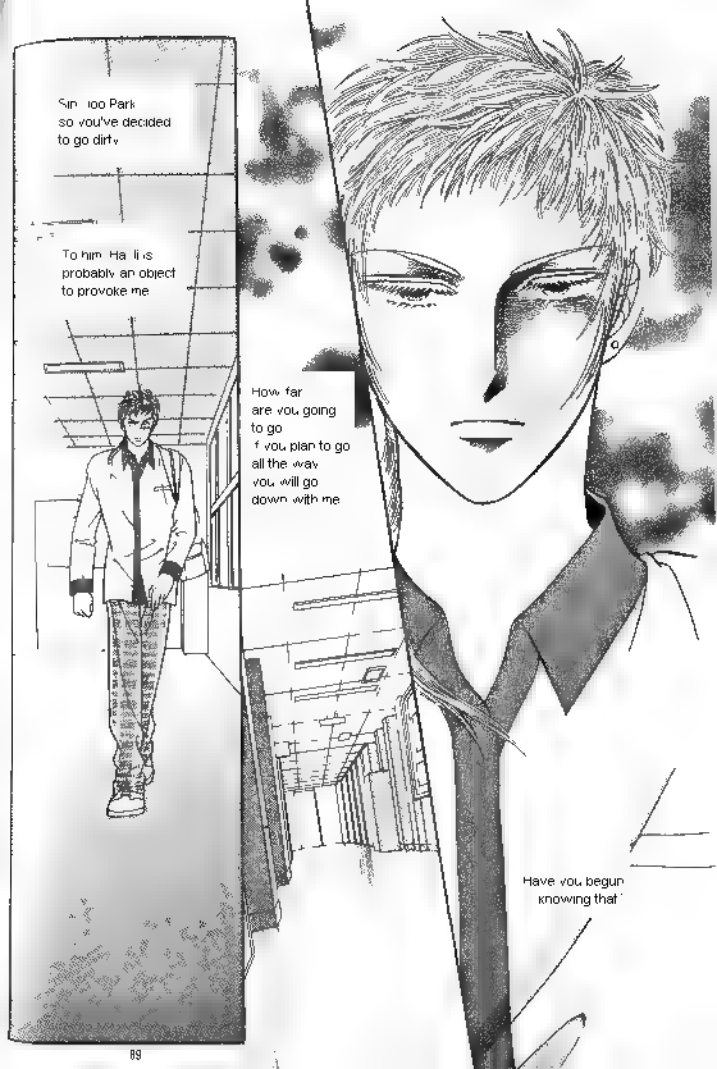
Have you given up
The first round ended with my victory So I expected you to do something in the second round
Oops sorry I have forgotten that you obey your father completely papa s boy
I guess overrated you

ドサッ
is he able to control his temper now
アイツ
FALL

He has gone berserk
We just finished cleaning the classroom
Someone stop him
Who would want to stop him unless he wants to die
Jeong Hyeop Ha sees me like this bet he is going to make fun of the nervous disorder

Jaimes
www.jaimes.com

I heard that a cousin of De-Ha's chairman was very handsome looking is that Mu Hyeon Ha
They made a lot of money with selling girls Besides Mu Hyeon Ha himself is quite hardcore He makes girls fall for him and control them in the end I think Ha Ii is involved with a dangerous guy
If we ask mister Hui Soo now
No need to
A lesson should be good



Sin Joo Park
so you've decided
to go dirty
To him Ha Ii is
probably an object
to provoke me
How far
are you going
to go
f you plan to go
all the way
you will go
down with me
Have you begun
knowing that

Everything looks so expensive here if something gets broken
It's all right don't mind sacrificing few objects
"Gets broken" Just how hardcore is she Or is she kinky
Drink it to celebrate this day
whoa - thanks was thirsty
This wine is produced only 7000 bottles in vosne romanee france
Do you know how to drink win
91

카아
It s kind of sweet amazing Maybe because it s from some weirdly named place
It s better than ume brandy secretly tasted
How dare she compare top quality antique wine with some ume brandy ?!
My patience to continue this senseless conversion has run out So shall end my acting now
Come out

Let the show begin
I've brought you
this far
I don't need to be
nice to you anymore

thought did say didn't like audiences
They are not audiences They are the ones you will deal with
Unfortunately have an eye for this And do not want to deal with the likes of you
thought you had some etiquette is it so important for you to spread the news that you defeated Doberman
And a pro you draw away my taste
Defeating you won't make my record any shiner ou are that small to me

www.janimes.com

Sorry to inform you, but I've seen a lot of people who had two faces
Huh
Eh

Ou vou
the carpet !!

Now
I've dumped
pretty much
everything
in my stomach
So the drug
will take its
effect slowly
don't know
what you put
in the wine
but will finish
you before the
drug takes its
full effect
What are
you doing ?!
Seize her !

ドサッ

They are too easy
ou should have
called tougher ones
f you were going to
do this
Or were you
planning to wait
until am dragged
Ahah
Ah
Come on
face me now
Or do you
want me to
start first
W wait
Ha ll
This wasn't
my idea

transferred to the school He was way too powerful than me had no chance
Yes you transferred to my school to face me am granting your wish
And buy it high So will let you begin first Come on
you suddenly look old
Face what? Begin what?
am counting 5 seconds If you don't will go for it
5 seconds what

Aha
원앙복귀
Of course
She has fallen for me
So she can't touch me
Well seeing she follow me
all this way guess that
has been her intention all
along
Sure
will grant you
wish

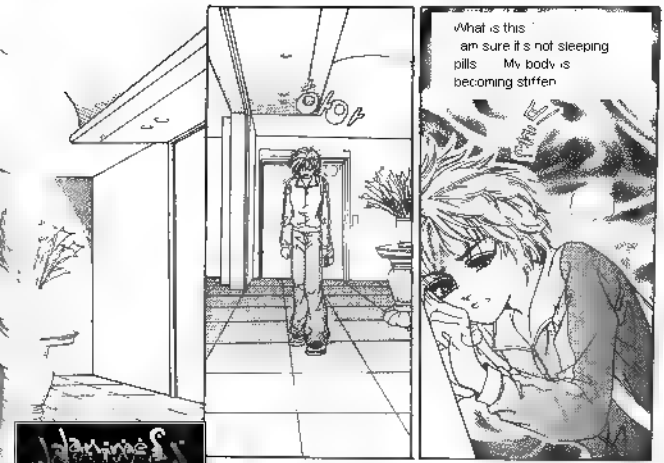
knocking head
This is the first time

Attacking
with lips ?!

Are you stupid
That was certainly
one perfect kiss
there is guard in
attack stay
defend at abdomen
and a wee bit with
an attack like that

What ?
Why
Some weakling like you dared to challenge me ? You are not even worthy of a fight
Damn
The drug already? What did he put in the wine anyway ?

f see you again will make sure you will taste a piece of hell
Is that really a female
My head is still spinning
That was some punch
Hey are you ok
Hey Mu Hyeon Ha
This cannot be



www.janimes.com

have to get
out of here
f they chase me
now will stand
no chance
have to call
Han Seo

Hey there
young lady
What is it
Do look
sick
I am sorry
My girlfriend is
drunk

She looks like a high school student
Just let it go master will get her out of here
N
can't speak
Looks like he used paralysis drug

Seeing you are still conscious I guess he used little amount of it
That's foolish He probably underestimated you since you are a female
you
Mu Hyeon friend
Am I a friend of Mu Hyeon's Hell no

But we have an understanding order him and he obeys
No No -
I know it's hard for you to even speak So accept the reality
Now just be a good girl and I will take you to a nice place

What should do to you when we get there Tell me what you want
f you want men am willing to call about 10 men for you They will certainly like you ou see they seem to have a passion for raping
don't understand their sexuality But guess shouldn't judge people s sexual taste merely based on my view ou try to understand others you know

www.janimes.com

Oops - you don't like the idea Shall come up with another play
How about a play that break your fingers ou are violent aren't you am sure you'd love a violent game
Starting with your thumb
And then index and so on One by one slowly

Just to make sure that you fee the pain and fear
egonizingly and slowly !!!

ou
followed
me
오랜만

Chances can be arranged later
So suppose will let the princess go today
f you simply ignored the result would have been different
ou see kind of like her would have let her go after today's event
But you are not letting her go
So am not letting her go either

www.janimes.com

ou must have been desperate ou brought her to the main house
She was drugged by very tiny amount So she will be fine but those guys are scary f they gave her any more than that she might have died of suffocation
Mister Hui Soo has the situation under control
He is a wise man f your older brother found out about Ha li and Sin loo he would have put Ha li in a gift box and send her to Sin loo
There must be no debt
That is his creed

Do you know why brother is so keen about this
The chairman Park has helped him with a hotel business issue
After that it seems he also established a relationship with Sin Joo Park
was wondering why he said he wouldn't be able to handle it alone
It was all Sin Joo Park's plan
You do realize that you've maed a mistake today right
Let Mister Hui Soo handle this
Grab a woman and hide in a hotel for now
You made your move even when you knew his intention

www.janimes.com

It was obvious perhaps Heart overrode brain Still could have managed to prevent this
Ha li's memory about him has been erased
And he is full of vengeance now
I am sure he could have felt something from Ha li
Or is it that his hatred has blinded him
Observing those two that run on two different parallel lines
What did I expect ...
www.janimes.com

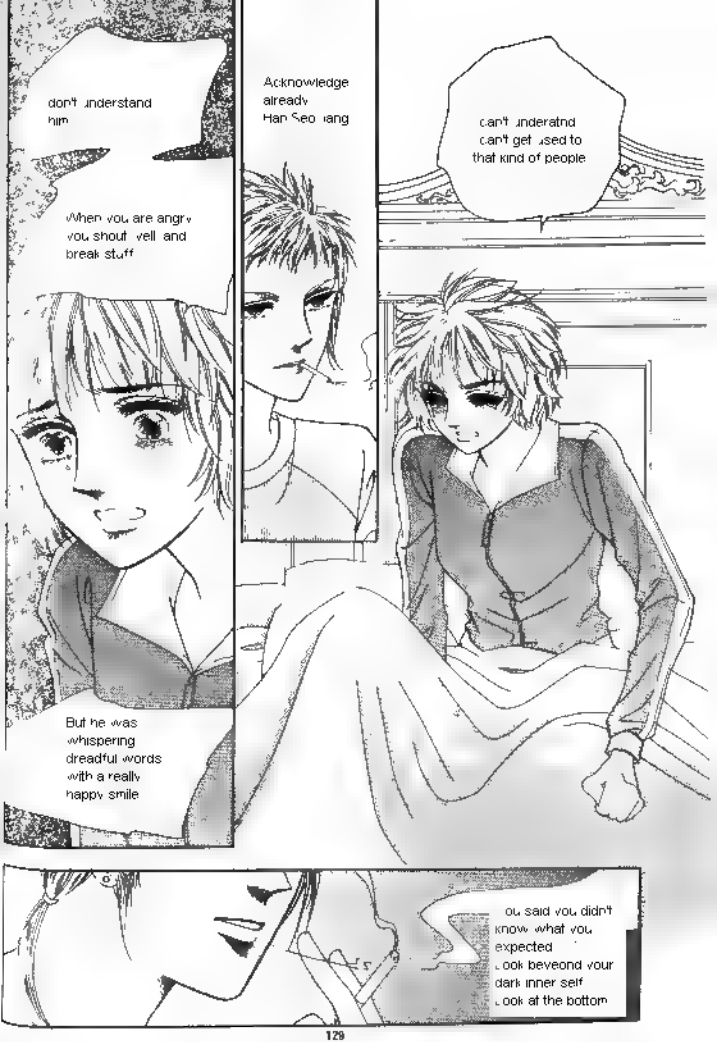
am fine now
didn't know
having the full
control over
my own body
would make
me happy
Where am ?
Ah you said
it's Jeong
Hyeop's home
This house
is weird for
a family that
runs nightclubs
It's like as if
they are
trying to appeal
the old passion
way
If you feel
fine get
lost

What?
You don't have strength to stand up. Should I drag you out of the bed?

Bastard
You don't have to remind me
I am already ashamed and pissed off enough for my head to explode

Janimes
www.janimes.com

With a face
like that
he completely
defeated me
I was scared. It was even more
scary than when I was
being bullied by my
own brothers.
Even more than
when I was fighting
countless people alone.
His smile.
His icy smile
was far more
dreading.



don't understand him
When you are angry you shout yell and break stuff
But he was whispering dreadful words with a really happy smile
Acknowledge already Han Seo Jang
can't underatnd can't get used to that kind of people
ou said you didn't know what you expected
ook beyond your dark inner self
ook at the bottom

He was too cruel !
I hate him !
I hate him !
ou wanted this to happen
ou let Ha li approach Sin too
And you have done nothing to stop her

Those words are what have wanted !!
I hate him !
I really do !

Then Ha Ii is late because she is meeting that model

That ugly bitch would have figured out by now. The truth is that she cannot grab some handsome guy like me in her life time
It would be like expecting a bean sprout on an asphalt road
She should be regretting that she threw a fist at me by now

Who knows
For now I am not even sure if I can afford a used one. My father's salary is under a complete control of the director mother
Ih
ou came to school figured you'd call in sick today

Well -
Ha li did say
she couldn't
beat you to
pulp well
last night
ou are
one little
lucky dude
aren't you

This guy is full of charisma !
What's wrong with him ? A beauty is recognizing another beauty perhaps ? This guy is handsome Even the best model agency didn't have a guy of this level
He looks even better at a close distance There isn't even a mole on his skin and his skin seems to be tender

ou look
even uglier
at a close
distance
ou have
wrinkles around
your eyes at
your age already
oh wait -
you even put a
heavy makeup
ou are one
little funny guy
aren't you
Are you sure
you are a man
Let me take
off your pants
and make sure

What s wrong with him
Looks like his face was the Achilles tendon
His reaction was interesting Looks like I've found another toy
You like him feel pity for him already You treat your toys like an object
What an immature guy when will you stop your childish play
Well at least you get tired of them quickly That s a relief
There is a toy haven't gotten tired of for a long time
Whoever it is feel sorry for the person you know how kinky you get
Doesn't matter The toy is stupid enough not to realize about it

Sin Ioo told you to call me when you were going to the cafeteria!
Who are you! Get your hands off him
He is preplexed about it
Can't be - Sin Ioo let me cross my arms around his

see you
often
recently

She was rude. She ignored you.
Sin... too why did you even greet someone like her
What that smile

www.jaimes.com

A tremor on your hand
I feel so stupid
Look at me and how afraid I am
Those who have defeated are going to laugh at me
I am lost even before a fight
I am proud of you

ou've become brave enough to be honest to your darkest fear in your mind Most simply ignore it and put it in a deep corner of their mind
Such a brave is the way of a jang
Of course - that s why serve you as my jang
R really ou really think so ?
admitted my darkest fear
Hmm that is a nice phrase
es it is very amazing

was actually
afraid of ghosts so much
that couldn't even go to
a bathroom at night
rather chose to pee on
the bed
And the actual reason don't
watch horror movies are
not because find them
suck but it's because
am afraid of it
That's amazing
As a jjang
it would be
extremely hard
to admit those
ou
think so
ou think
so right
It's been sometime
Let's watch a movie
heard there is a
good horror movie
released
H horror movie
But since you are
afraid of horror
movies let's watch
some action movie
In a
video
room
Thanks
It's amusing
that she never
finds out that
she's being
manipulated

About Ha Ji
It's strange
About what?

Ha Ji is a type that doesn't run away.
Even if it is certain that she is going to lost and beaten, she faces stuff anyway.
But weirdly, she is avoiding Sin Uoo Park.
It's not like Ha Ji.
That's because this is the first time she has felt the real fear.
Intent to harm and intent to kill are different.
It was something she had it blurred.
Now, she felt it for real.
So, it is not surprising that she feels small and weak in front of the one that taught her the real fear.

Are you ... satisfied ?
Isn't it funny to watch them growl at each other ?
Demon ! Devil Satan !

Open the door ! Open it right now !!
Have some patience and keep watching it. I am telling you it is an action movie.
!@#$! I am gonna kill you !!
I knew it. You show your destructive power under a desperate situation.
You cheated on me !! How dare you !
Stop right there !

Is it too late now ... ?
He should have quit while it was only a play ...
So, it's too late ?
